

First Cohort International Ltd.

Hello and Welcome!

Start With Why?

- Why did I set the company up in the first place?
- What is its purpose?
- How do I achieve this?

What outcomes am I looking for?

- Training and education around substance misuse testing standardised and implemented.
- A higher and more standardised approach to the testing procedure.
- Better support and care for people showing any issues.
- Better knowledge on substance abuse testing.
- A lot more customers for yours truly!
