Northern Powerhouse Trade Mission to Ireland

- Opportunities for New Exporters

The Department for International Trade (DIT) is delighted to invite new and inexperienced exporters from multiple sectors across the Northern Powerhouse to join our Trade Mission to Dublin, Ireland. Ireland is a good place for UK businesses to start exporting for the first time, as business practices, laws, systems of finance and broader culture are similar to the UK.

The mission is a great opportunity for companies, to explore their potential in Ireland and establish connections within the market.
