Helping businesses to navigate the skills landscape

The North East Ambition Programme is designed to help small and medium sized enterprises (SMEs) to link more effectively with local and national skills initiatives. This is a European Social Fund match funded programme, for businesses with fewer than 250 employees based in the North East.

How can your business benefit?

We provide free and impartial advice to help you make the most of the current support available to your business and find solutions to your recruitment challenges.

- If you're recruiting or looking for shorter-term support, we can link you with a pool of high-quality candidates.
- We can help you upskill or retrain your existing workforce to meet the challenges your business faces.
- If your business need is something different, we can guide you to the right support, as well as connecting you with other small businesses.
